

Integration Management

The integration managers support the individual integration process of refugees. The refugees receive support on topics such as:

- education/language
- work
- housing
- health
- finances
- social participation

The service is provided on a voluntary basis.

Bahnhofplatz 13, 78462 Konstanz – Integration Management City of Constance

Social Service

The social service has similar tasks as the integration management but is also responsible for refugees in the initial accommodation (communal accommodation and emergency accommodation)
